

## **CERTIFICATE OF PERFORMANCE**

Certificate No. 0113ICS/ issue 1

This is to confirm that

### **The FLEX SCREEN**

has met the type test requirements for use on  
the Highways Agency network described in  
*Safety, Quality and Testing Criteria for  
Incident Screen Systems v8.0*  
and indicated in TRL test report FPN 830

This certificate does not:

- imply any form of warranty
- imply that subsequently manufactured items are of an acceptable quality
- allow the holder to use any certification mark on their product or literature

**Gavin Williams**

(Head of TRL Vehicle Restraint Systems Team)

Issue Date: 2<sup>nd</sup> July 2009
